

Symmetry

Testimonials

“Bergen Regional Medical Center

recently launched the Symmetry Vendor Management Solution and we were quickly able to realize measurable efficiencies in procuring and confirming supplemental staffing agency needs, electronic credentials compliance and invoice automation. The system allows us to capture and manage financial and nursing data metrics through automation that previously required more time consuming manual effort. The Symmetry Vendor Management System has helped us run our Medical Center more confidently and effectively.”

Mary Anne Marra
Chief Nurse Executive
Bergen Regional Medical Center

“Symmetry’s team has played an integral part in setting and helping to maintain the high quality standards our customers have learned to expect and receive from **Nightingale Nurses**. Symmetry’s insight and partnership has been invaluable in our quest to grow as a company.”

Bob Marella
Executive Vice President
Nightingale Nurses, LLC
Boca Raton, Florida

“Symmetry’s management team has been a valuable resource to Medical Center Staffing Services (the supplemental staffing office of the **Saint Barnabas Health Care System**) and instrumental in supporting our high quality assurance standards for supplemental nursing staff. They are responsive to our requests, open to our feedback and deliver improvements to our business challenges.”

Camille L. Jadelis
Director Recruitment SBC Management Corp.
& Medical Center Staffing Services
Saint Barnabas Health Care System
Livingston, New Jersey

“Symmetry Healthcare Strategies is a valued business partner of the **New Jersey Hospital Association**. We have a long and successful history of working with Symmetry’s executive team members and we have the utmost confidence in their expertise in staffing program services.”

William Kennedy
Senior Vice President
NJHA Healthcare Business Solutions

“We have worked with Symmetry Healthcare Strategies since its inception and have the utmost confidence in their knowledge, experience and ethics. We have benefited greatly from their consultation in order to provide high quality, sustainable staffing solutions to our hospital participants.”

Jan O’Brien, RN, BSN, JD
Director of Staffing Services
Associated Purchasing Services
Kansas & Missouri Hospital Associations

“Symmetry’s leadership and management team has a solid understanding of supplemental healthcare needs and continues to assist our hospital system and staffing offices with increased cost savings, quality oversight of staff and improved efficiencies. We are very pleased to be working with Symmetry.”

Ann Campbell, RN, MSN
Chief Nursing Officer
Virtua Health
Marlton, New Jersey
